RENEWAL
CANADA – Maintenance Fee

RE: Canadian Patent No. 2,353,963
Title: TEST FOR OXIDATIVE STRESS USING CELL SUSPENSIONS
Applicant: Robert G. Lamb
Your ref.: LAMB PCT/US99/14185
Our ref.: 12452-39

We would appreciate receiving your instructions in connection with the payment of the Maintenance Fee indicated below.

Unless otherwise instructed by the due date, we will not pay the maintenance fee.

If an annuity company is responsible for the payment of this fee, please inform us by checking the "paid by annuity company" box.

For issued patents, an additional grace period of twelve (12) months may be available at additional cost. Thereafter, the patent will lapse with no possibility of reinstatement.

For pending patent applications, if the maintenance fee is not timely paid, the application will be deemed abandoned with a possibility of reinstatement, at additional cost, for only a period of twelve (12) months following abandonment.

Yours very truly,

SWABEY OGILVY RENAULT
